A photograph of a building facade. The building has a light-colored, possibly off-white or light grey, wall with some darker, weathered patches. A brown door is centered in the lower half of the frame. To the left of the door is a small, square window with a white frame and a grid pattern. Above the door, there is a small, circular object, possibly a light fixture or a small window. The sky is visible at the top of the image, and there is some green foliage at the bottom right corner.
