INVITATIONS OF BIDS

From

Reputed Builders, Developers & Construction Agencies for construction of EWS, LIG Flats Using Cost Effective Technology on Turn Key Basis located at Mahala Housing Scheme, Jaipur.

Rajasthan housing board intends to undertake Low Cost Housing projects for EWS & LIG category under the Govt. of Rajasthan policy "CHIEF MINISTER'S JAN AWAS YOJNA-2015" (Policy available at www.udhrajasthan.gov.in). Bids are being invited by Rajasthan Housing Board from reputed Builders/Developers having experience of multi storied similar type projects for Construction of still plus nine storied flats for EWS & LIG categories on the Rajasthan Housing Board land located at Block "D" (Total land area 27877.00 Sqm) & Block "E" (Total land area 21807.00 Sqm) at Mahala Housing Scheme, Jaipur. The super built up area for EWS flats shall be 325-350 Sqft and for LIG 500-550 Sqft.

Out of total land parcel EWS & LIG housing will be constructed on 75% of the land area & remaining 25% of the land area will be allotted to developer through open bidding. The builders/developers will be paid per sqft for built up area of Construction of EWS/LIG flats including all requisite internal development depending on the bid (upper ceiling limit shall be Rs. 1100.00 per sqft). The builders/developers shall also be given other incentive viz maximum permissible FAR 2.25 without betterment levy for 75% part of EWS & LIG and for remaining 25% part for his own construction as per provision of building bye laws of JDA. Waiver of building plan approval fees shall also be given for EWS & LIG part. For 25% of land to be used by developer, building plan approval fee shall be paid by developer as per prevailing rules. The builders/developers quoting highest rate for 25% part of land to be used by developer for his own construction shall be selected.

Developers/Builders would be expected to construct EWS & LIG flats using cost effective technology on turnkey basis, including internal Development like road, water supply, electricity, sewerage, land scapping, public amenities, water harvesting system etc. However the cost towards the construction of peripheral development i.e Construction of approach road, external electrification, Drains/Nallah for EWS & LIG 75 % part will be borne by Rajasthan Housing Board and cost of external development on 25% part will be paid by developer.

The Part-A of Technical Bid should contain details about the firm (Individual partnership/private limited/public limited company) which explain about the firm's, available technologies with accreditation certificate for mass housing, financial history along with last 3 year's audited reports, details of project executed, details for technical personnel available and construction equipments available as per performa given in bid document & Part-B for financial Bid. The financial Bid shall be opened only of technically qualified bidders.
