### After submission of the bill by the contractor

| Processing of Bill                      | Support Engineer DSC and JEN or AEN IPIU | 9th & 10th Working day, i.e. 2 days | 1. Site will be inspected by ACM OR DY. CM and CM at DSC Head Quarter, DSC & XEn IPIU jointly for checking the measurements in the M.B. |

Support Engineer, DSC to observe the following procedure:

1. Standard bill format & items of contract should be loaded on computer once in the beginning of work only.
2. If the bill is not in standard format or without required enclosures etc. and are required to be returned to the contractor, it shall be returned by DSC support engineer in writing mentioning reasons, only after the written permission from ACM OR DY. CM and CM at DSC Head Quarter, DSC. No bill should be returned without informing the contractor in writing.
3. Measured quantities as per MB for the bill under consideration should be
| Scrutiny checking & verification of Bill by ACM or Dy. CM and CM at DSC Head Quarter | ACM or Dy. CM and CM at DSC Head Quarter, DSC | 2 days |
| Scrutiny, Checking & verification of Bill by XEn & Head IPIU | XEn & Head IPIU | 2 days |
| Scrutiny, Checking & verification of Bill by Accountant IPIU | Accountant IPIU | 1 days |

---

4. Bill is to be printed out, in three copies, after filling the requisite details, in respect of General Particulars, Part I & II of the bill, as recorded in MBs.
5. Submit three copies of the bill along with MBs to ACM or Dy. CM and CM at DSC Head Quarter, DSC, after signature of DSC Support engineer / JEN or AEN IPIU.

**ACM or Dy. CM and CM at DSC Head Quarter**, to observe the following procedure after receiving the bill from DSC Support Engineer & JEN or AEN IPIU:
1. Scrutinize and check the entire Bill for accuracy and correctness.
2. Give certificate on quality, quantity of work and test results taking in to account his site inspections and checking of measurements done during the execution of work.
3. Check and verify measurements from MBs and rates from the BoQ and MBs.
4. After satisfying himself, to affix signature on all the three copies of the bill & MB.
5. Forward two copies of bills along with MBs to XEn IPIU. Retain one copy of bill for record purposes.
6. Get the measurements in the bill checked & verified by ACM or Dy. CM and CM at DSC Head Quarter, duly signed by him before forwarding the same (bill + MB) to XEn IPIU.

**XEn, IPIU** to observe the following procedure:
1. To oversee the entire Bill for accuracy and correctness.
2. Give certificate on quality, quantity of work and test results taking in to account his site inspections and checking of measurements done during the execution of work.
3. Test Check and verify measurements from MBs and rates from the BoQ and MBs.
4. After satisfying himself, to affix signature on both the copies of the bill & MB.
5. Forward both the copies of the bills along with MBs to Accountant, IPIU.

**Accountant, PIU**, to observe the following procedure:
1. Scrutinize and check the entire Bill for accuracy and correctness.
2. Check items, quantities and rates from the BoQ and MBs.
3. Check the bill with contract terms and conditions for quantities, rates etc. and ensure compliance.
4. Fill all details related to part-III (Memorandum of payments) of the bill and to check all the statutory deductions to be made under the Contract.
5. After satisfying himself, to affix signature on both the copies of the bill & MB.
6. Forward both the copies of the bills along with MBs to XEn IPIU.

---

1. XEn IPIU to review the bill for completeness and after satisfying himself, affix signature for passing the
Passing of the bill by Treasury | Treasury Approx. 2 day
Payment of the bill Cashier, IPIU 1 day

Cashier, IPIU to observe the following procedure:
1. Note the payment details (cheque no. etc.) on the bill and make necessary entries in cash book, encashment register and any other required record.
2. Keep record of the statutory deductions account (i.e. income tax, works tax, royalty etc.) and arrange for the same to be deposited with respective authorities on or before the due dates.
3. Intimate the contractor about release of payment and request him to collect Cheque to be handed over to Contractor; if cheque is received from Treasury.
4. Incase of passed bill / cheque in the name of head of office; get the cheque / DD issued from bank in favour of Contractor.
5. Retain one copy of bill with cash vouchers in support of entries made in cash book.

Record of the bill Accountant IPIU

Total Period
Total Period for payment to the contractors after submission of bill by contractor. 19 working days
11 working days

The above procedure should be strictly followed by all concerned to make timely payments to the contractors. It shall be primary responsibility of the XEn and Head IPIU to ensure that the overall limit of 11 working days of time period for payment to the contractors after submission of bill by contractor is not exceeded under normal circumstances. In case of payment beyond 15 working days, it should be reported to the PMU with specific reason of delay.

All concerned officers are required to make regular site inspections and continuously monitor quantity & quality of work and overall performance of the work. The measurement books are to be procured by IPIU, office and will be issued to Support Engineer, DSC, who will be entitled to fill the measurements in M.B. The Running Bill / Final Bill Proforma and checklist are enclosed for submission and payment of bills.

All the members of PMU, IPIU, IPMC and DSC should abide this circular.

1. Certified that the details entered in Table 1 - "Account of Work Executed" is correct and accurate.

2. Certified that in addition to and quite apart from the quantities of work actually executed, as shown in column 10 of "Account of Work Executed" (I above), some work has actually been done in connection with several items. The value of such work (after deduction therefrom the proportionate amount of secured advances, if any, ultimately recoverable on account of the quantities of materials used therein) is in no case, less than the advance payments as per item 2 of the Memorandum, of payments made or proposed to be made, for the convenience of the contractor, in anticipation of and subject to the result of detailed measurements, which will be made as soon as possible.
