

Construction of Minor Bridge on near Shamshan & Polytrchnic on Latiya nallah at Sawaimadhopur

Construction of Minor Bridge on Latia Nala near Polytechnic College & Shamshan Ghat at Sawai Madhopur town and Construction of Minor Bridge over Latia Nala near Polytechnic College and Bridge Approaches at Sawai Madhopur. The identified bridge connects various busy commercial/ populated area of Sawai Madhopur town. Due to inadequate carriageway width, the bridge becomes congested resulting into low speeds and to possibility of accidents. There are number of schools, commercial buildings, hospitals, polytechnic college and other important locations in the town connected by these road stretches to other parts of the state which gets disturbed due to traffic congestion. Therefore, reconstruction of the bridge is absolutely necessary to ease traffic situation within the town, to provide relief and time savings to through traffic and to reduce accidents, congestion and operating expenses of the vehicles. The following will be the key outcomes from the Subproject:

- a. Predominant traffic will be served
- b. Avoid any accident
- c. Saving of time
- d. Fuel saving
- e. Traffic congestion eased
- f. Social & Environmental hazards improved
- g. No psychological obstruction
